Obligations of Licensees

By submitting your application and accepting the license issued by the Board, you become obligated to abide all the provisions of the Statute and by the Rules established by the Board, including the Ethical Standards.

Here is a basic list of those obligations. Please keep this list for future reference.

1. You must make your license available for inspection at all job sites.

Generally, the Board recommends wearing it as an ID badge at all times while performing locksmith services.

2. If you have any unlicensed employees, you must see to it that they never perform locksmith services requiring a license unless a licensed locksmith is present to provide direct supervision of their work. You must see to it that your employees have a valid license before allowing them to perform locksmith services without direct supervision by a licensed locksmith.

3. If you have any employees, licensed or not, you are required to provide the Board with a list of those employees if they have access to any locksmith tools, customer keys, or key records. You must notify the Board within 30 days of any changes to this list of employees.

4. You are obligated to uphold the Ethical Standards imposed by the Board. This is section .0500 of the Rules. Read it carefully. Violations of the Ethical Standards can result in disciplinary action by the Board, including revocation of your license.

5. The Statute and Rules spell out standards for verifying and recording the identity and authority of persons requesting entry into properties (vehicles, buildings, safes, etc.) with the assistance of a locksmith. You are obligated to comply with these standards.

6. It will be your responsibility to comply with any continuing education requirements the Board establishes and to apply for license renewal before your license expires.
